Carers Café Neuro

A welcoming place for carers of adults with acquired or long-term neurological conditions and the people they care for to meet.

Come along for Tea/Coffee and cake.

Meet the staff and volunteers of Carers Trust Cambridgeshire, MS Society, Headway Cambridgeshire and Parkinson's UK at the newly opened Marbrook Centre.

Unfortunately we cannot provide support with care.

Meetings will be on the last Tuesday of the month except December.

With many thanks for
the generosity of

Marbrook

excellence in neurological care and rehabilitation
