

Community services commissioned by Cambridgeshire and Peterborough

Cambridgeshire County Council and Peterborough City Council Adult Social Care commission a wide range of community organisations specifically to support their residents.

Where you identify that an individual has longer-term care and support needs, beyond those you are immediately able to meet, you can make referrals to the appropriate organisations listed here.

This is a small sample of the community services available across Cambridgeshire and Peterborough, you can search for others using the online directories. The directories are being updated daily with the latest information about what is currently available:

Cambridgeshire Online Directory www.cambridgeshire.gov.uk/directory

Peterborough Information Network www.peterborough.gov.uk/PIN

The organisations listed have adapted what they can offer in the current situation, the information provided is correct as of the 15 April 2020, for the latest information please refer to the directories or the organisation's website directly.

Where an individual's longer term needs are not able to be fully met by community services then a referral to Adult Early Help, with Adult Social Care may be appropriate.

This information has been produced by Cambridgeshire County Council and Peterborough City Council to be used by professionals and volunteers who are having conversations with and are supporting residents during the Covid-19 response period.
The information is correct at the time of production, 15 April 2020.
