

Hi

I've bought you an entry in the Caring Together Christmas virtual balloon race.

You can take part in the race and have a chance of winning from the overall ecoracing prizes of:

- 1st place £500 cash
- 2nd place Apple iPad
- 10 lucky winners £10 book tokens

And exclusively to Caring Together entrants, you could also win a £25 gift voucher for the Caring Together supporter whose balloon travels the furthest.

Go to caringtogether.org/ecoracing and activate the code **ADD YOUR CODE HERE** to get your balloon! And let's get ready to race.

You choose the name, colour, shape and pattern of your balloon.

You can also choose different features of your balloon, such as weight, which will affect exactly how it flies, how far it goes, and your chances of winning.

Of the £3 paid for every balloon bought for the Caring Together Christmas Virtual Balloon Race £2.35 is donated to help support carers. Carers are people who look after a family member or friend, and every balloon sold helps them receive the practical and emotional support they need.

You can go to caringtogether.org/balloon-race to find out more about Caring Together and how this virtual balloon race is raising money to help carers.
