

# Championing Access

## Your Health and Care Summit 2022

**Thursday 7 July, 10am to 3pm**

**KingsGate Centre  
2 Staplee Way, Parnwell  
Peterborough, PE1 4YT**

This year the spotlight is on equal access to health and care services. And on the big changes to how services are working.

## About the event

Health and care services are under huge pressure and are working hard to meet the needs of local people.

But we know that some people can find it harder to get the care they need. And people in our poorer communities are living an average of ten years less than their wealthier neighbours.

Tackling health inequalities is one of the top priorities of our local NHS and care services.

## Services working together

From July, the different organisations that help you with your health and care are coming together as **Cambridgeshire and Peterborough Integrated Care System (ICS)**.

So local councils, NHS hospitals, community health services, family doctors, NHS 111, ambulance and voluntary services are joining up.

Hear how services are changing and share your ideas and experiences to help them build better care.

## Guest speakers

- ⇒ **Louise Ansari, the National Director of Healthwatch England**, will be talking about how health inequalities are affecting people across the country.
- ⇒ **John O'Brien, Chair Designate of the newly formed NHS Cambridgeshire and Peterborough** – part of the new ICS – will be listening to your feedback and sharing the ICS's plans for the future.

Local people will also be sharing their stories of care.

## Workshops for you to join

Choose two free workshops:

- ⇒ **Helping people get online**
- ⇒ **Support for people waiting for hospital care**
- ⇒ **Your voice in mental health care**
- ⇒ **Getting information in the way you need it – accessible information for disabled people.**

There will also be a chance to find out about the different technology available to help you stay independent in your home for longer.

You can find out how different equipment works and book a care assessment from the council.

## Support to take part

KingsGate Conference Centre has level access and disabled parking spaces nearby.

Let us know if you need any help to take part, such as a British Sign Language Interpreter, information in Easy Read or speech to text interpretation.

## Book your place

Everyone is welcome at our friendly, free, in-person event. A light lunch and refreshments will be provided.

You can book online via one of our websites:

**Call** 0330 355 1285 or **Text** 0752 0635 176
