New study to create 'heat map' of loneliness in UK.

Helping find new ways to tackle loneliness & social isolation.

Imperial College London is investigating the prevalence of social isolation and loneliness in the general population, including NHS patients & staff. You can choose to take part by completing a brief anonymous <u>survey</u> which is available in several languages

You can access the <u>survey</u> using the QR code above, or by opening the weblink below on your smartphone, tablet or personal computer. The <u>short (<10min) pseudo-anonymized survey</u> is available in several languages and can be accessed by following this link: https://imperial.eu.qualtrics.com/jfe/form/SV dalGvF3HDQA2L2u
